

GEMs Report

Anne Marks volunteered to be the GEMs editor at the 2019 convention. She produced the September 2019 newsletter and attempted to do another one, but was unable to get it finished. At an executive board meeting, Pat Kluckhohn volunteered to finish out Anne's term with Bill's assistance. Bill produced four more newsletters and put them on the website. A new GEMs editor will take over after the 2021 Zoom convention.
