

TRAVEL ADVENTURES 2019-2021

Like everything else, travel has been affected by COVID-19. We had two trips scheduled for 2020. Heritage of America scheduled for May of 2020 was cancelled by Collette Travel. The second trip that was scheduled to Mackinac Island in September did take place with a small group of four people from REA attending. Both trips have been rescheduled for 2021. The Heritage of America trip has been rescheduled for Sept. We do not have any members signed up for this trip. The Mackinac Island trip is rescheduled at the end of September this year. Two REA people are scheduled to make that trip.

On a positive note, six of us did take the trip to The Maritimes in September of 2019. As you may know, REAI is reimbursed 10% of the total cost of the trip. From the Maritimes trip we received \$2870.40. \$575.88 went to the State Treasury, which is 20% of the total. 80% was shared by BKM and Twin Falls. Each unit had 3 people who took the trip. Therefore, each unit received \$1151.76. Our 10% of the trip to Mackinac Island was \$892.30. The State Treasury received \$178.46 the BKM and Twin Falls unit received \$356.92 each.

If you choose to travel with Collette on your own, let them know you are a member of Retired Educator's of Idaho, and your unit will receive the 10% of the cost of the trip. Be sure to give them my name since I am the contact person for REAI.
