

## Retired Educators of Idaho By-Laws Proposed Changes

**Note\*:** This document was created to address the needs of revising the REA of I By-laws. The last revision was 5/20/12. As we move forward as an organization, changes should reflect the standard of pattern to be used as a guide for governance. Revisiting these Articles every two years will support those efforts.

Each of the 8 Unit President's along with other members of the State Executive Committee will vote on the 30 identified proposals for change. All of these changes are numbered consecutively. The tally sheet can be used to mark what you agree with/disagree with/leave as Written.

Members, who review this document, please **share** your leave/agree/delete and concerns with your unit president. Your unit president will tabulate the responses and send them to Stan Cope.
