

Happy Holidays—

I wanted to take this opportunity to wish you and yours the very best of holidays possible. While this has been a VERY interesting year, it has been a year of blessings as well. We may have a vaccine soon that will help us all get back to normal (whatever normal is!). What a happy thought!

You Retired Educators are absolutely fantastic! Little did your board know that when it suggested a donation in lieu of the silent auction that there would be such an outpouring of generosity. Thanks to you, our association will be able to grant **three \$800.00 scholarships** to College of Education students! Also, since we have not been able to put our “bucks” in the “little red cups” for the Idaho Food Bank, we have enough money to send that organization \$500.00 to help with those in-need for the Christmas season. I am so proud to be a part of such a caring and giving group!

The board also decided to carry on this year with our regular meetings when Covid allows it. We plan to continue using the Clarion Inn until such time that they say they are closed. So—our future depends a great deal on the situation with the virus and the situation with the Clarion Inn. Your board has lined up two potential venues for our meetings next year. Time will tell what we do and where we do it. Stay tuned—

Please, please, please stay safe and well. Wear your mask and stay at least six feet away from people. I want to see each and every one of you when we can gather again.

And—Remember the Reason for the Season—
